

## Final Submission Form

This form has been sent to you because your manuscript is ready for production. To start the copyediting and proofing process please follow the steps below and submit this form along with your final manuscript and supporting documents using the ESTS online submissions system. The anticipated date of publication for the issue is [May 2023]. Please follow the instructions sheet that accompanies this form.

### Delivery and Acceptance of the Work

In this form, insert the relevant information in the field's highlighted in yellow:

#### 1. Manuscript Number

- Insert your manuscript number (assigned by the journal management system during submission: e.g. #5650) here: #ms number.

#### 2. Choice of English

- American, Australian, British, Rez or other.

#### 3. Indexing Author Names

- It is the first author's responsibility to gain approval with all co-authors for the copy, and order of authorship. Please write down the order of co-authorship as it should appear below:
  - I. First name, Last name, Affiliation, Country
  - II. First name, Last name, Affiliation, Country
- Please also indicate any specific characteristics you would like us to prepare such as use of lowercase in your first name or last name for each author. If your last name is more than one word, please highlight in bold the part of the last name that should be indexed first. You can do this by filling in the highlighted text for the following metadata:
- Please add your pronouns here:
  - I. Add Pronouns

#### 4. Indexing Author Names

- Please add any times you won't be available between now and the 15<sup>th</sup> September 2022 so we can plan our schedule to collectively make the August 2022 issue deadline:  
Add dates when you are not available:
